The fellowship is open to any woman holding a degree in arts, science or literature; in general, preference is given to those candidates who have completed one or two years of graduate work. It must be used for purposes of serious study and the fellow should keep herself as free as possible from other responsibilities. The award will be based on evidence of the character and ability of the candidate and promise of success in her chosen line of work.

Applications must be made by personal letter from the candidate to the chairman of the committee, accompanied by:

1. A certificate from the registrar of the college or university which awarded the degree.
2. Testimonials as to ability and character from qualified judges.
3. Evidence of continued good health.
4. An account of previous educational training, and a clear statement of plans for future work and of the reasons for applying for the fellowship.
5. Examples of scientific or literary work in the form of papers or articles, or accounts of scientific research in which the candidate has been engaged.

Applications for the year 1910–1911 must be in the hands of the committee on or before February 1, 1910, and should be addressed to the Chairman of the Committee on Fellowships,

This act, which was accepted by the incorporators October 28 1899 (see pages 70, 71 and 73, Publications of the Association of Collegiate Alumnae, February 1900) now stands as the Constitution of the Association, and is as follows:

SECTION 1. Jennie Field Bashford, Florence M. Cushing, Alice Freeman Palmer, Helen Hiscock Backus, Bessie Bradwell Helmer, Annie Howes Barus, Martha Foote Crow, Marion Talbot and Alice Upton Pearmain, their associates and successors, are hereby constituted a body corporate by the name of the ASSOCIATION OF COLLEGIATE ALUMNAE for the purpose of uniting the alumnae of different institutions for practical educational work, for the collection and publication of statistical and other information concerning education, and in general for the maintenance of high standards of education.

SEC. 2. Said corporation is hereby granted all the powers, rights and privileges and is made subject to all the duties, restrictions and liabilities set forth in chapter one hundred and fifteen of Public Statutes,* and in all other general laws now or hereafter in force applicable to such corporations and not inconsistent with this act.

SEC. 3. SEC. 4. Said corporation shall have authority to determine at what times and places, within or without the commonwealth, its meetings shall be held, and the manner of notifying the members to convene at such meetings; and also from time to time, in such manner as the by-laws may provide, to elect a president, vice-presidents, directors, trustees and such other officers as may be found necessary, and to declare the duties and tenure of such officers. Said corporation may provide by its by-laws that its officers shall be chosen by ballots distributed by mail or otherwise, or may provide for any other manner of electing its officers.

SEC. 5. Branch associations may be formed according to such by-laws as the corporation may adopt, and representation of such branch associations may be given in the said corporation for the election of officers and for such other purposes as the by-laws may provide.

SEC. 6. This act shall take effect upon its passage.

* "The corporation may hold real and personal estate, and may hire, purchase or erect suitable buildings for its accommodation, to an amount not exceeding five hundred thousand dollars, to be devoted to the purposes set forth in its agreement of association, and may receive and hold pn trust or otherwise funds received by gift or bequest to be devoted by it to such purposes." Chai ter 115, Sec. 7, General Statutes of Commonwealth of Massachusetts.

These terms of office shall begin with the date of election, unless otherwise provided by the electing body. These officers, acting as a board, shall have power to fill any vacancy, excepting that of president or general secretary, that may occur in their number in the interim of meetings.

ARTICLE 2

DUTIES OF THE PRESIDENT

The president shall preside at all meetings of the association and of the executive committee, and may call special meetings as provided in Article 4 whenever she shall deem proper.

In conference with the president and secretary-treasurer, she shall have power to direct and supervise the policy of the association, subject to the limitations of Article 4. She shall attend to all business not referred to special committees nor otherwise provided for in the by-laws. She shall receive, by vote of the executive committee, a suitable allowance for clerical work and necessary travel in the interests of the association and shall be responsible for the representation of the association before the public. In case of her resignation or permanent inability to act, her duties shall devolve on such person as may be chosen by the president, general secretary and secretary-treasurer, until the next regular election of the association.

SECTION 2. DUTIES OF THE SECRETARY-TREASURER

The secretary-treasurer shall be a salaried officer, whose rate of compensation shall be fixed by the executive committee. She shall attend all meetings of the association and of the executive committee and shall keep the records thereof. She shall keep an accurate list of general and branch members, collect all annual dues and pay over all moneys received, to the bursar. She shall perform such other duties proper to her position as the executive committee, the president, or the general secretary may from time to time designate. In case of her absence from any meeting, a secretary *pro tempore* shall be chosen.

The executive committee, acting as a board, shall nominate the general secretary, shall determine the salary of the secretary-treasurer, shall direct the work of the secretary-treasurer and bursar except as otherwise prescribed by the by-laws, shall appoint standing committees, shall transact such other business as the association by vote or by by-laws shall from time to time delegate, shall determine such matters as the general secretary may refer to it in the interim of the meetings of the association, and, in general, shall act as an advisory board in matters relating to the general policy of the association. The president of the association shall be *ex officio* the chairman of the executive committee. The secretary-treasurer of the association shall be *ex officio* the secretary of the executive committee. Seven members of the executive committee shall constitute a quorum. Meetings of the executive committee may be called by the secretary-treasurer at any time on request of the president, or general secretary, or of three directors, on not less than two weeks' written notice, duly mailed, post-paid, to each member thereof.

In the interim of meetings of the executive committee, business may be transacted in writing, provided that every member of the executive committee is duly informed by the secretary-treasurer concerning the nature of the business, and provided that a majority of those so informed report to the secretary-treasurer in favor of the same course with regard to the proposed action.

ARTICLE 5

MEMBERS

Any woman who has received a degree in arts, philosophy, science or literature from any college, university, or scientific school admitted to the association is entitled to regular membership. Any woman who has received an advanced non-professional degree from an approved American or foreign university is entitled to graduate membership, with the full powers and duties of regular membership. New institutions shall be admitted on a three-fourths vote of the executive committee, confirmed by vote of three-fourths of the voting body of the association present at any regular meeting. Notice of such proposed action by the association shall be given with the call for the meeting.

ARTICLE 6

MEETINGS AND VOTING BODY

SECTION 1. The annual meeting of the association shall be held in October, or at such time as may be appointed by the executive committee, provided that not less than one month's notice be given for the date so fixed. Special meetings shall be called by the secretary-treasurer at the request of the president or general secretary or of three directors on written notice, duly mailed, post-paid, at least two weeks before such meeting is to be held.

SECTION 2. The voting body of the Association of Collegiate Alumnae shall be made up from all the members of the association, provided, however, that when a meeting is called in a city or locality where there is a branch of the association, the number of votes to be cast by the branch shall be limited as follows; the branch shall be entitled to ten votes if it has one hundred members or less, and if it has more than one hundred members it shall be entitled to an additional vote for each additional ten members (or last remaining fractional part of the same after subtracting full quotas of tens). Such votes are to be cast by delegates appointed and accredited from the branch. No member of the voting body shall cast more than one vote. Eighteen members of the association with voting power shall constitute a quorum.

ARTICLE 7

FISCAL YEAR

The fiscal year of the association shall begin October 1. An annual assessment of one dollar shall be due from each member, payable before December 1. Any member whose dues remain unpaid for one year shall be dropped from the roll. Resignation of membership shall be presented to the secretary-treasurer in writing; any member who resigns after December 1, shall be liable for dues for the current year. The president and secretary-treasurer may remit *sub-silentio* any fee when they deem it advisable. Any member may become a life member by the payment of twenty-five dollars, and thereafter shall be exempt from the payment of annual dues.

ARTICLE 8

Branch associations may be formed in accordance with the following provisions:

SECTION 1. They shall co-operate with the Association of Collegiate Alumnae in its general work, while carrying on independent local work.

SECTION 2. Regular and graduate membership shall be limited to graduates eligible to membership in the Association of Collegiate Alumnae and residing within such distance as may permit their attendance at meetings. Graduates who have become regular or graduate members of a branch shall thereafter be considered regular or graduate members of the Association of Collegiate Alumnae.

SECTION 3. Each branch shall elect a member of the association to serve as a director for a term of three years, whose duty it shall be to represent the branch in the executive committee and at all meetings of the association and to establish as close relationship as possible between the branch and the general association.

SECTION 4. Each recording secretary of a branch shall make an annual report to the Association of Collegiate Alumnae.

SECTION 5. Regular members (not life members) of duly organized branches shall pay to the general association, through the treasurer of their branch, the annual fee of one dollar. This amount shall be due from branch treasurers on December 1. Resignation of membership in a branch shall be presented in writing to the treasurer of the branch; any member who resigns after December 1, shall be liable for dues for the current year.

SECTION 6. The fiscal year of the branches shall begin October 1, and branch officers shall be chosen for a term of office beginning on that date.

SECTION 7. Branches in which the regular membership has fallen below the initial unit of membership (ten regular members) or which have failed to make an annual report to the general association for two consecutive years, shall be considered non-existent.

SECTION 8. Branch associations shall make their own by-laws governing all points except those hereby specified.

ARTICLE 9
